

New Client Checklist

- Names and contact information of the responsible parties
- Any witness contact information
- Any police or incident reports
- Your automobile insurance information if your case involves an auto accident. (Specifically we need the Declaration Page from your insurance policy.)
- An estimate of repair to your vehicle
- Any photographs of damage to your vehicle
- Any photographs of the scene of the accident
- Photographs of injuries that occurred as a result of the accident
- The names and addresses of any medical providers that you have seen since the accident
